RFP #363
Jekyll Island Permitting, Licensing & Lease/Contract Management Software
Addendum #1

Q&A Responses:

1. Do we have to register on your website to be eligible to respond to the RFP?
   Answer: No

2. What is the budget for this project?
   Answer: The budget is unspecified. Part of this process is to determine what options are available and what the costs will be.

3. Can companies from outside the USA apply for this RFP?
   Answer: Yes, everyone can apply

4. Can we perform the tasks outside the USA?
   Answer: If you are accessible for questions, training and maintenance during our office hours (Eastern Time Zone)

5. Do we need to come over there for meetings?
   Answer: Once the short list of proposers has been selected, we will be requesting a demo of the software, but that does not have to be done in person. However, if your company is awarded the RFP, there may be situations that would require in person meetings or training.

6. Can we submit the proposals via email?
   Answer: See section 5 of the RFP for Instructions to Proposers. Item 5.4.1 addresses this question.

7. The closing date on the cover sheet shows June 15, 2021, but the schedule of events shown in 3.1 of Section 3 shows the Closing date of May 14, 2021, which is correct.
   Answer: The closing date on the cover sheet is incorrect. This date should be May 14, 2021. We have corrected this information on the website and State Procurement site. The body of the RFP did not change, the only change was the closing date on the cover sheet.
